Vision Statement

To mentor and guide in research and development of innovative ideas and to give efficient training to the students in various domains of engineering.

About AB Technologies

AB Technologies is an organization that primarily deals with developing research concepts and real time projects. AB Technologies is specialized in guiding the students to develop engineering projects with real time applications. AB Technologies assist the research scholars and mentor them in understanding the concepts, ideas and also support them in writing and publishing their research works in reputed journals of different standards such as UGC, Scopus indexed and SCI indexed journals. The organization is well versed in assisting Synopsis and Thesis development. AB Technologies is also involved in conducting Training and Courses in various disciplines like Embedded Systems, Artificial Intelligence, Robotics & Automation, Matlab, PCB, CAD design, Python, Java, VLSI, ANSYS, Web Development, Game Development, Computer Hardware & Software, Database Management and networking. AB Technologies is experienced in the preparation of proposals and in the implementation of engineering oriented funded projects. AB Technologies is skilled and engaged in the manufacturing of Lab Equipments. AB Technologies is well known for conducting various workshops, value added courses, trainings, Guest Lecture Programs, National and International conferences in various colleges across India.

Directors' Profile

Dr. K.S. KAVIN

Dr. K.S. Kavin is one of the Directors of AB Technologies. He has over three years of teaching experience as an Assistant Professor and more than 12 years of industrial experience as an R&D Engineer in the field of Power Electronics, Artificial Intelligence and IoT. He earned his Ph.D. with research focused on grid-tied electric vehicles without an energy storage system. As a Director, he plays a key role in managing the organization and guiding its strategic decisions. Dr. K.S. Kavin is also an accomplished researcher with more than 75 publications in reputed national and international journals across various engineering disciplines. He is the inventor and patent holder of the novel "KSK Converter," a converter named after him in recognition of his contribution. He can be contacted at kavinksk@gmail.com.

Er. A.T.R. KRISHNA PRIYA

Er. A.T.R. Krishna Priya is one of the Directors of AB Technologies. She holds a Master's degree in Computer Science and Engineering from Anna University. Her areas of specialization include Machine Learning and Deep Learning, with a focus on medical image processing applications. She has published more than 25 research papers in reputed national and international journals and conference proceedings. As a Director, she actively oversees the organization's administrative functions and is dedicated to driving its growth, innovation, and overall development. She can be contacted at priya.gita6@gmail.com.

AB TECHNOLOGIES

(An ISO 9001:2015 certified Organization)

GSTIN: 33CKGPK5591Q1ZG

Office Opening Date-29/04/2015

HEAD OFFICE

14, First, Second and Third Floor, Prajam Complex,
S.T. Hindu College Road, Chettikulam Jn,
Nagercoil, Kanyakumari,
Tamilnadu- 629 002.

BRANCHES

⑨ TIRUNELVELI

109, First Floor, Sundari
Complex, Trivandrum Road,
Behind Tirunelveli New Bus
Stand, Tirunelveli,
Tamilnadu - 627 005.
Contact: +91 93615 06544.

⑨ CHENNAI

Plot No. 37, Second Floor,
Section A, Greens Building,
V.O.C. Street, West Tambaram,
Chennai, Tamilnadu.
India-600 045.
Contact: +91 90432 95818.

⑨ PUDUKKOTTAI

5378/2B, Second Floor,
Jansi Plaza,
A M A Nagar,
Nizam Colony, Pudukkottai,
Tamilnadu- 622 001.
Contact: +91 97899 66059.
